DIRECTOR'S NOTE

ATIF AKRAM

(Founder & Director, Ehtesham Law)

On the 81st birth anniversary of his beloved grandfather, Late Maulana Ehtesham Sahab, Atif Akram founded this institution with a commitment to provide free, high-quality instruction to aspiring law students. With four years of exceptional experience in law coaching, he has developed a reputation as a multidisciplinary educator with the ability to teach and mentor across multiple subjects.

A famous quote he often cites is: "Success is no accident. It is hard work, perseverance, learning, studying, sacrifice, and most of all, love of what you are doing." He has mentored over 250 students who secured admission to prestigious law universities such as Jamia Millia Islamia (JMI), Aligarh Muslim University (AMU), and others. As the mentor and guiding light of Ehtesham Law, his unique teaching philosophy, personal dedication, and visionary leadership continue to shape excellence and nurture future law professionals.

He warmly welcomes you to join the Ehtesham Law family, where your legal journey begins not just toward an exam but toward excellence, confidence, and purpose.

About Maulana Ehtesham Sahab

Maulana Ehteshamuddin Islahi Sahab, a revered figure in the realm of education and spiritual guidance, was born on February 4, 1942, in the quaint village of Sanjarpur, nestled in Azamgarh, Uttar Pradesh. He was the son of Hafiz Nizamuddin, who laid the foundation of his early education. Earning his Maulana degree from the esteemed Madarsatul Islah in Azamgarh, Maulana Ehteshamuddin's journey took a significant turn when he ventured to Dubai in search of better opportunities. There, he dedicated two decades to imparting the teachings of the Qur'an to young minds, fostering a generation rooted in Islamic values while adapting to modern educational needs.

Upon returning to his beloved Sanjarpur, Maulana Ehteshamuddin became a staunch advocate for both religious and contemporary education. His philosophy was deeply influenced by the ideals of Maulana Abulkalam Azad, India's first Minister of Education. He envisioned a future where children from his community would aspire to become doctors, engineers, and lawyers—professions that would not only elevate their status but also bring pride to their nation on an international scale.

04 Feb 1942 – 11 Aug 2021

“Ilm woh roshni hai jo insaan ko andheron se nikaal kar roshan raahon ki taraf le jaati hai.”
